Dear Ms. Cornell:

On September 1, 2019, you filed a Freedom of Information Act (FOIA) request seeking:

A 2012 report called "DOI Law Enforcement Functional Evaluation," which was the result of a contract awarded to Booz, Allen, Hamilton on January 13, 2012, and completed November 1, 2012. The report is referenced here:

<https://govtribe.com/award/federal-contract-award/bpa-call-ind08pa60047-ind12pb00123>.

Your request was received in the Office of the Secretary FOIA office on September 3, 2019, and assigned control number **OS-2019-01267**. We are writing today to respond to your request on behalf of the Office of the Secretary. Please find attached one file, consisting of 52 pages, which are being released to you in its entirety.

There is no fee for the processing of this request. This completes the Office of the Secretary's response to your request.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c). This response is limited to records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The 2007 FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:
